

## **Continuity Dynamics, Inc. is Acquired by Readiness Associates, LLC**

**Basking Ridge, NJ – May 19, 2020** – With over twenty-five years of disaster recovery and risk management experience, Continuity Dynamics, Inc. is pleased to announce that they have been acquired by Readiness Associates, LLC, of Portland, Maine to combine their risk solutions. This transaction was spirited by the current pandemic events to provide even greater client support.

Founded by Ralph Petti in 2006, Continuity Dynamics has attained a leadership position with a focus on business continuity, disaster recovery, supply chain management, cybersecurity, risk, compliance, governance, public-private sector and the SMB (Small Medium Business) market. The company also provided Pandemic Planning internationally in The Philippines, Indonesia, Hong Kong and in other countries. They maintain a strong client base touching four continents.

With a current focus on supporting the healthcare industry related to the COVID-19 events, both firms are now able to deliver end-to-end solutions that are supported by ISO 22301 Standards, HIPAA, OSHA and others. They are also focused on the CMS Standards to support The Center for Medicare & Medicaid Services, a part of the Department of Health and Human Services.

Michael Boardman, CEO/Founder of Readiness Associates, stated "Continuity Dynamics has been a longtime collaborator of ours and shares the same philosophy of excellence in customer service in this critical business sector. Their team of experienced risk management specialists and suite of enterprise and SMB solutions fit perfectly into the Readiness Associates domain."

Continuity Dynamics' SVP of Client Services, John Panchery, says "Readiness Associates will take Continuity Dynamics solutions to some of the largest and most important healthcare groups in the nation. Beyond healthcare, there will be a focus on pharma, finance, insurance, HR and other industries and to help ensure that the Supply Chains for all companies are not as severely impacted as seen in today's times. Companies must remain viable to serve their communities."

Mr. Panchery and Mr. Petti will join Mr. Boardman's leadership team at Readiness Associates and bring a team of experienced and certified practitioners, as well as leading edge solutions.

Readiness Associates, LLC is committed to delivering the highest-quality, emergency-related services and training. As a closely-held company, they are strategic partners with the ACHCA (American College of Healthcare Administrators) and the CIHQ (Center for Improvement in Healthcare Quality), among others, and also focuses on a multitude of industry sectors.
